

Rasa Zubielaitė, CFE, ACI

Rasa Zubielaitė is the Chief Insurance Financial Examiner of the Bureau of Captive and Financial Insurance Products for the Delaware Department of Insurance. She is responsible for supervising and managing all aspects of financial analysis for the Captive Bureau and monitors the solvency of captive insurance entities domiciled in Delaware. Prior to joining Department of Insurance, Rasa was an Administrative Accountant for Delaware Department of Labor, Controller's Office.

A native of Lithuania, Zubielaitė brings an international accounting background to the Captive Bureau. She holds a Master's Degree of Economics with concentration in Banking and Insurance from Kaunas University of Technology in Lithuania, as well as Master's Degree of Business Administration from Wilmington University. Rasa received two prestigious designations in summer of 2014 for professionals engaged in the examination companies and other financial institutions. She has been designated as a Certified Financial Examiner (CFE) by the Society of Financials Examiners, and as an Associate in Captive Insurance (ACI) by the International Center for Captive Insurance Education.
